

Privacy Policy

Your privacy is very important to us. This privacy policy specifies the personal data we process, how we process it, and why we process it.

As you interact with our products and services, we collect data about you. You provide some data directly, and we obtain the rest by analyzing your behavior, preferences and actions. The data we collect may depend on the amount of data you directly provide. We may also obtain data from third parties.

We use your data to make your traveling, browsing and booking experience better. Specifically, we use your data to:

- Provide our services and products.
- Improve our services and products.
- Offer personalization to you.

We can share your data with your consent or as required/permitted by applicable law. We never sell your data.
